## High Top Dock Bumper Left 750L x 400W x 100H

Product SKU: 6009406

Designed to offer better protection to the top of the dock leveller or loading bay. Available left and right handed.

Where a standard sized dock bumper is not enough to protect the dock leveller or loading bay from overriding trailers. This design features an extra 400mm height on top of the bumper to provide better protection. The left and right design helps the vehicle correctly line up with the bay. There is a stainless-steel front plate available for this design to improve durability and resistance.

**Colour:** Black

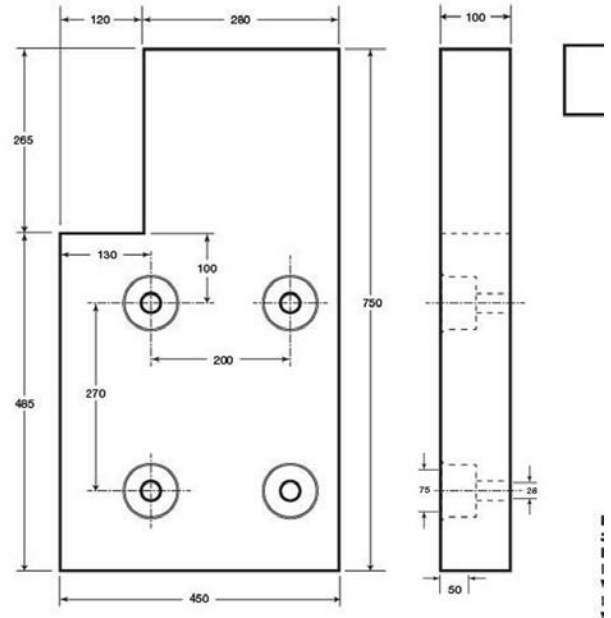

**Material:** SBR/NR

**Weight:** 35KG

**Operating temperature range:** -15°C to 70°C

Physical Property	Unit	Typical Values
Hardness	ShA	75
Elongation at Break	%	200
Tensile Strength	MPa	4
